

Making In-flight Announcements

機上廣播

“Ladies and gentlemen, the Captain has turned on the ‘Fasten Seat Belt’ sign. Please fasten your seat belts and also make sure your seat and folding trays are in the upright position.”

The fifth and sixth graders boarded our English Village plane, found their seats, and listened to and abided by the captain’s announcements.

The students played various roles, from being flight attendants to being the captain, and making in-flight announcements.

The students performed various skits, simulating in-flight situations such as experiencing turbulence, asking for medical support, assisting a pilot who is having a heart attack, and eventually being able to land safely at an airport.

「各位先生，各位女士!機長已經開啟安全帶信號燈，請返回座位並繫上您的安全帶，請將您的椅背豎直並收起座位前的餐桌板。謝謝您!」

五年級與六年級學生登入機艙，尋找座位並且遵從機長的指示。有些學生扮演空姐/少，幫助乘客；而有些則裝扮成機長，做飛行途中之廣播。

這趟飛行，學生們演出一場驚心動魄的歷險記。他們一起經歷了亂流，機長心臟病發，尋求飛機上的醫生協助，最終能夠安全的抵達紐約甘迺迪機場。
