

Captain's Announcement

機長廣播

'Ladies and gentlemen, the captain has turned off the fasten seat belt sign, and you may now move around the cabin and turn on electronic devices. In a few minutes, the flight attendants will pass around the cabin to offer you hot and cold drinks, as well as light snacks. Thank you.'

Our fifth and sixth graders learned different kinds of captain's announcements such as take-off announcement, service announcement, and landing announcement at English Village this month.

The students boarded the airplane as the captains, flight attendants and passengers. They performed various skits, simulating in-flight situations that might happen in real life.

「各位先生、女士，安全帶警示燈已經熄滅，您現在可於機艙內走動，或是開啟電子用品。在幾分鐘後，空服人員將提供熱飲、冷飲以及機艙輕食點心，謝謝您。」

九月份五、六年級的學生們學習不同的機長廣播，除了起飛廣播，另有機艙服務廣播，以及降落廣播等等。孩子們扮演成機長、空服員以及乘客，並於此趟飛行中經歷飛行時可能發生的情況。
