

## Purchasing a Train Ticket

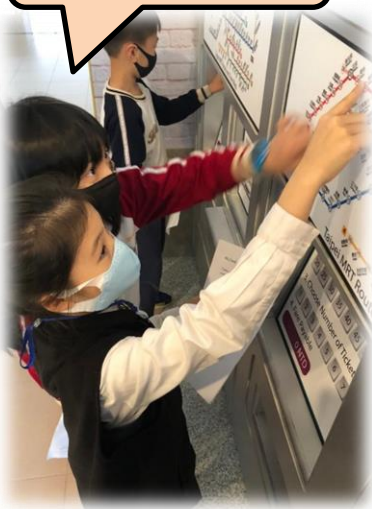

### 台北捷運買票趣

“My family and I are going to Taipei next month, and we’re getting around Taipei by Mass Rapid Transit (MRT) for the first time! I wonder where else an MRT train could take us?”

How much is the ticket?

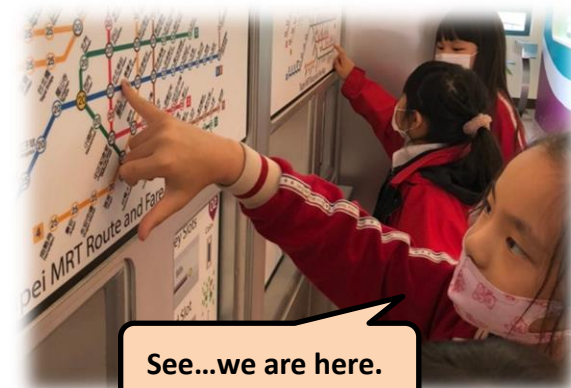

Let's check the fare map first.

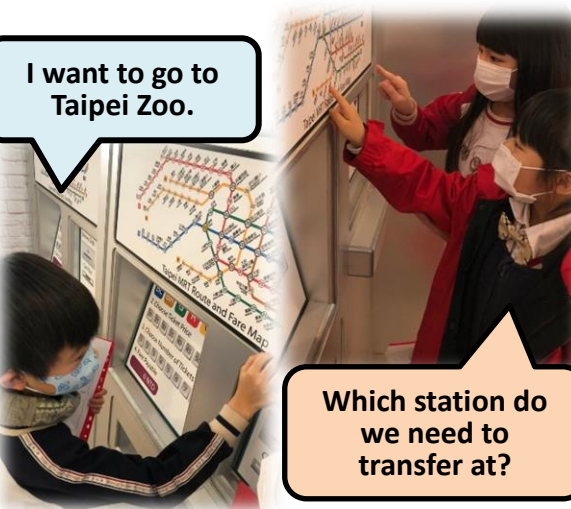

This month at English Village, Grade 1 and 2 students were excited to learn about the diverse tourist attractions they could travel to by Taipei Metro. First, they checked a fare map, and then purchased their tickets at the vending machine for their trip. Once the tickets were purchased, all the passengers moved to the MRT train. They had a wonderful time exploring Taipei.

「下個月我打算和家人一起去台北玩，第一次體驗乘坐大眾捷運遊台北！很好奇台北捷運能帶我們去哪些好玩的景點呢？」

本月一、二年級的學生來到英語村搭乘捷運，興奮地前往台北各旅遊熱門景點。過程中，孩子們不但要學會看懂捷運票價圖，更要挑戰透過售票機買票。買完票後，大家紛紛前往捷運列車。小乘客們在探索捷運的過程中，渡過了愉快的時光。

See...we are here.

I want to go to Taipei Zoo.

Which station do we need to transfer at?

## MRT Etiquette

### 捷運禮節

Have you ever gone on the MRT? Do you know any of the MRT rules? If you are new to Taipei, you may unintentionally break the rules.

This month at English Village, Grade 3 and 4 students were at our MRT station, learning MRT etiquettes. For example, no food and drinks, no smoking, line up for the train and let passengers exit before entering. They also practiced telling the meanings of the MRT signs.

您是否曾經搭乘捷運？您知道捷運規則嗎？如果您是第一次到台北，可能會無意間違反了規定。

本月三、四年級的學生來到英語村捷運站學習捷運禮節。例如，車站內禁止飲食和吸煙，優先禮讓下車旅客。此外，孩子們也練習說出各種捷運標誌的含義。

No food or drink.

Line up behind the yellow line, please.

Would you move so I can have the seat? Thank you.

Eating or drinking is not allowed on the train.

Don't speak too loud.

What color is the Bannan Line?

## Planning a Trip

### 旅遊計畫

This month at English Village, Grade 5 and 6 students got on the MRT train for a trip to Taipei's famous tourist attractions, such as Taipei 101, Taipei Zoo, Shilin Night Market and Tamsui Fisherman's Wharf.

First, some students shared their previous experiences of the popular spots which helped the others to decide on where to visit. To plan a nice trip, our young travelers also learned to read an MRT route map and decide which station to transfer at when traveling from place to place.

本月五、六年級的學生來到英語村搭乘捷運列車前往台北著名的旅遊景點，如：台北101、動物園、士林夜市和淡水漁人碼頭。

一些學生分享了自己台北旅遊的經驗，這有助於其他人選擇想去的旅遊景點。為了執行旅遊計畫，孩子們還要學著看懂複雜的捷運路線圖，並且知道在哪站轉乘以前往目的地。

Where would you like to go?

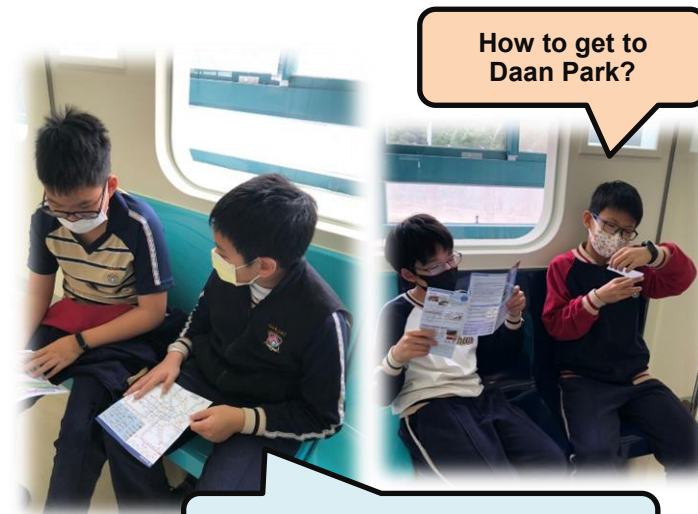

We should take the blue line first.

I can't wait to ride the Maokong Gondola.

What about Taipei 101?
