

## All About Insects!

### 關於昆蟲！

The grade ones have been observing insects and learning about their needs and habitats. They are starting to put this knowledge to use by designing a humane insect trap.

一年級學生持續觀察昆蟲，了解其需求和棲息地，並將知識應用於製作昆蟲陷阱。

Grade 1 students observing the characteristics and habits of insects.

一年級學生觀察昆蟲的特徵和習性。

Taking care of our pet crickets, learning what they need and how they move.

照顧我們的寵物蟋蟀，了解牠們的需求以及觀察牠們如何活動。

Learning about insect habitats and using a map to plan where we might find insects to observe.

了解昆蟲的棲息地，並使用地圖規劃可能發現昆蟲的地方。

Searching for and observing insects in their natural habitat and gathering information that will help us to build our own humane insect trap!

在自然棲息地中探索和觀察昆蟲並收集資訊，有助於我們設置人性化的昆蟲陷阱！
