Buying Tickets & Movie Etiquette

購買電影票及電影院禮儀

G1 and 2 students love going to the movies! But how should you behave to ensure everyone in the theater has a good time? Well, it's simple! You need to follow good etiquette!

Students looked at the movie timetable to see which movie they were interested in. After they had decided, they went to the counter to buy tickets, "I'd like to buy a student tickets for Luca please."

Did you get your snack? What did you choose? Students are agreed that Popcorn and a drink is a must!

Our students are respectful customers. They line up to buy tickets and snacks, and mute their phones. Shhhh! The movie is starting.

一、二年級的學生很喜歡看電影!但是你該怎麼做來確保大家都享受在影廳看電影呢?答案很簡單!就是遵守禮儀。

學生看著電影時刻表，看看有沒有感興趣的電影。他們決定後就到售票台買票。「我要一張路卡的夏天的學生票，謝謝。」

你買點心了嗎?你買了什麼?學生都同意爆米花和可樂是一定要的!

我們的學生都是有禮貌的顧客。他們排隊購票和買點心並將手機調成靜音。噓!電影就要開始了。

Movie Genres & Movie Etiquette

電影類型及電影院禮儀

Grade 3 and 4 students love to talk about all the new movies coming out, but what do they have to say about them? This month, students discussed movie genres and practiced etiquette.

Students discussed in groups what genres they like best. They then shared with the class what genres they like and why.

Students then examined the movie posters hanging in the cinema to look for clues about the genres of the movies. Each group looked at different posters. After a short discussion of what they saw, they shared with the class what they thought the genre could be.

Finally, students voted on a movie trailer to watch as a class. They took their movie tickets to the correct seat. After watching, students shared which elements of genres they observed in the trailers. They all had a great time identifying elements of genres and applying their knowledge.

這個月，學生討論了電影類型以及練習電影院禮儀。

學生在小組裡討論他們喜歡的類型。最後，他們向大家分享喜歡的類型及原因。

學生瀏覽了掛在電影院裡的海報，尋找有關電影類型的線索。每一組選擇不同的電影討論，並和大家分享這部電影可能的類型。

最後，全班票選一部電影預告片觀看並領了電影票及對號入座。影片結束後學生說出觀察到的類型元素。他們運用知識辨認不同電影類型並都過了一堂愉快的課。
