Being Seated and Ordering Food

餐廳候位及點餐

The students went to KC Dessert House and learned all the appropriate phrases and questions to use.

Welcome to KC Dessert House.

Hi! Could I have a table for two? Thanks!

The grade 1 and 2 students were introduced to the theme by discussing what a restaurant is, different types of restaurants and identifying some of their favorite restaurants. Another aspect they learned about was restaurant etiquette.

The kids ended off the theme by visiting the bistro. They pretended to be both customers and servers. They each ordered today's special and were able to eat a real slice of honey cake. They had a fantastic time.

Hi! Are you ready to order?

Yes. What is today's special?

學生在 KC 甜點屋學習使用合宜的語句向服務生問問題。

學生藉由討論「餐廳是什麼」和「不同類型的餐廳」，並分享他們最喜歡的餐廳來了解這個月的主題。此外，學生也學習在餐廳用餐的禮儀。

Enjoy your honey cakes!

Thank you!

學生來到餐廳扮演顧客和服務生。每個人都享用了「今日特餐」，並吃到一塊蜂蜜蛋糕。他們在餐廳度過非常棒的時光!

Ordering at a Fancy Restaurant

在高檔餐廳點餐

In English Village this month, a special dessert had our grade 3 and 4 Kang Chiao students saying, "Yum!"

We were able to act out an authentic western dining experience with some roleplay as servers and customers. The kids got to order dishes like lobster, lamb, and steak from a fancy menu.

After than main course, we served some appetizing honey cake to the class for everyone to enjoy! Now we know what it's like to eat and work in a bistro.

What would you like for the appetizer?

Can I have deviled eggs, please?

One medium-well steak, ma'am.

It looks delicious!

Our lobster is freshly delivered from Boston.

在這個月的英語村課程，有一項特別的點心讓我們三、四年級的學生大喊「好吃」！

孩子藉由扮演服務生和顧客來體驗在西式餐廳的用餐經驗。孩子們從精緻的菜單上點了龍蝦、羊排和牛排。

主餐後，學生享用了一道美味的蜂蜜蛋糕。孩子現在都體驗到在餐廳用餐及工作的經驗。

Making Reservations and Tipping

餐廳訂位及給小費

We all know that tipping can be a confusing practice when traveling abroad. How do we know how much money to give? How can we calculate the percentage of a bill?

However, our grade 5 and 6 students were up to the task in English Village this month. We sat down in the KC Bistro and learned how to tip in American culture. Now we're ready to travel!

In the end, the pudding was served as the delicious dessert dish. English Village always gives these students plenty to smile about!

I enjoy the service a lot!
How much should we tip the server?

We can tip 20 percent.
80 times 20 percent is ...
16 dollars.

Hello, KC Bistro.
How can I help you?

Can I book a table at 6pm
on May 9th, please?

Sure! How many
people are in your
party?

There are 5 people.

出國旅遊時，如何給小費總是讓人困惑。我們要給多少小費？如何計算帳單的百分比？

五、六年級的學生這個月在英語村學到了如何計算小費，並且在 KC 餐館學習美國的小費文化，也準備好去國外旅行了！

最後，學生享用了餐廳提供的餐後甜點-布丁。英語村總是給學生們滿滿的笑容！
