## Making a Shopping List

### 製作購物清單

“I’m going to buy an iPhone,” “I’m going to buy a camera,” “I’m going to buy some strawberries,” was flying amongst the excited chatter of Grade 1 and 2 as they browsed the aisles of the Kang Chiao supermarket.

It’s safe to say everyone loves food and this month at English Village Grade 1 and 2 students have enjoyed exploring the English names for all the exciting things they can buy at the supermarket. We have been making many lists and practicing how to ask for the selected items in class. The students have excitedly created and shared shopping lists. They did a wonderful job writing their lists and explaining it to their peers.

在 KCIS 超市裡充滿著「我要買 iPhone」、「我要買一台相機」、「我要買一些草莓」的話語。一、二年級的孩子在逛康橋超市時興奮地討論著。

可以肯定地說大家都愛食物!這個月，一、二年級的孩子學習超市商品的英文說法。課堂中，我們列了很多購物清單並學習詢問商品位置。孩子分享並解釋他們製作的購物清單，大家都表現得棒極了!

How are you?  
Do you need anything?

I need 5 carrots,  
thank you!

We want to make rainbow pizza.  
We need peppers, corns, onions,  
and broccolis.

Did I get everything  
I need?

## Buying Groceries for a Birthday Party

採買生日派對用品

"We should throw a birthday party for Mom!"

"That would be great! Let's go to the supermarket!"

Grade 3 and 4 students went shopping for birthday groceries at the Kang Chiao Supermarket in November. They excitedly walked through the aisles, pointing out all of the items they noticed on the shelves.

In pairs, they worked together to make sure they got everything they needed for Mom's party. By the end, they all wished that they could take the products home for real!

Will we buy a birthday cake in the supermarket?

Yes! The cake here is delicious.

Sounds good!

We should get our mom this for her birthday!

Coke is on sale. Let's get some!

Awesome! I have got some plastic cups.

「我們為媽媽辦一個生日派對吧!」

「好啊!我們去超市。」

三、四年級的學生在十一月來到康橋超市採買生日用品。他們興奮地走進每條走道，指著所有他們看到的架上商品。

學生兩人一組，確定他們買到了所有生日派對需要的用品。最後，學生都希望可以真的帶走超市裡的商品。

## Supermarket Return Policy

### 超市退貨須知

"I bought this product from your store last month and now it is no longer working. I am not satisfied and would like a full refund. What is your store's return policy?"

The Grade 5 and 6 students visited the Kang Chiao supermarket this month to return some items they purchased. Each group had to develop their own return policy related to the product they chose. Some students were quite stern about their store's rules offering no refunds or exchanges.

"Do you have the receipt and your membership card?"

"Sorry, unfortunately you only had 7 days to return this product so we can just offer you store credit."

「我上個月在這買了這個產品，但現在已經不能用了。我不太滿意並想要退貨。你們的退貨規定是什麼？」

這個月，五、六年級的孩子來到康橋超市退貨。各組要根據所選的商品製作退貨須知。有些小組的購物規定相當嚴格，無法退換貨。

「請問您有帶發票和會員卡嗎？」

「很抱歉，您必須在七天內退貨，不過我們可以提供您一些超市點數。」

This is our store's return policy. If you are not satisfied with the product, you may return it to us within 7 days.

This watch is not working. I would like a full refund, please.

Sorry, sir. Food cannot be returned.
