Buying Airline Tickets at the Airport

在機場購買機票

This October we have had a very exciting visit to the KCIS Airport. Here, we have been learning how to purchase tickets for a flight on the KCIS plane.

We started in class discussing countries and places we have visited. We then looked at purchasing tickets and the dialogues needed to do so.

Then, the students were given their very own KCIS Passport. They were very excited to fill in the identification page and draw a portrait. We had fun checking to see if they looked similar to the drawings!

Next stop was the airport to practice our new skills. There were many roles to fill including ticketing, customs, security, air host and pilots. We flew all the way around the world and landed back at KCIS in time, looking forward to the next journey.

We are going to take KCIS Airline to fly around the world!

今年十月我們很興奮地造訪了 KCIS 機場。我們學習了如何在機場購買機票。

課堂上，我們討論了去過的國家及地方，並學習購買機票時會使用到的對話。

每位學生在拿到了自己的 KCIS 護照後，開心地在護照裡填寫基本資訊和畫自畫像。大家興奮地相互對照自畫像和本人的相似度。

我們到了機場實地演練。學生們扮演了售票員、海關人員、安檢員、空服員和機長。我們環遊世界並準時降落在 KCIS 機場，期待接下來的旅程。

I would like to buy a ticket to London for Christmas.

No problem! Let me check it for you.

Sure! Ma'am, this is your ticket for December 20th.

Can I have a window seat, please?

October 2020

At Customs

海關查驗

This October, the Grade 3 and 4 students checked into the KCIS Airport in English Village to learn about passports, arrival cards, and getting through customs.

The students received their very own KCIS passports and learned how to fill in their traveler information inside. They also learned how to put details about their upcoming trips on their arrival cards.

Next, the students practiced going through customs, with some students acting as immigration officers and others as travelers. They had a fun time checking in at the customs counter and coming through the security checkpoint.

Finally, the students boarded the airplane to roleplay as flight attendants and passengers. The students were able to showcase their English conversation skills by assisting others with their arrival cards.

Does anyone need an arrival card?

Are you traveling alone?
Why are you visiting the country?

No, I travel with a friend.
We are here on vacation.

Alright! Please look at the camera. Enjoy your trip!

Thank you! Have a nice day!

這個十月，三、四年級的學生在 KCIS 機場學習了護照資訊、入境卡以及通過海關。

學生們收到自己的護照，並學習如何填寫個人資訊和入境卡的旅遊細節。

接著，學生們扮演移民官和旅客，練習過海關的情境對話。他們在模擬過海關時都非常開心。

最後，學生們在機上扮演空服員和旅客，並透過對話，協助彼此完成填寫入境卡。

Airline Announcement

航空公司廣播詞

In the month of October, the Grade 5 and 6 students made a trip to the KCIS Airport in English Village to take a flight and learn more about making flight announcements.

First, students had an opportunity to make an announcement to passengers waiting at the boarding gates about their flight being delayed due to bad weather conditions.

Then once aboard the airplane, students role-played being a flight attendant and explaining the safety rules and procedures of the airplane to their passengers while the flight takes off.

Finally, once they reached cruising altitude, the students were given the chance to make a captain's announcement telling the passengers what to expect for the rest of their flight as well as when they arrive at their destination.

This is an announcement for passengers on flight 232 to London. The flight has been delayed due to bad weather conditions.

Oh no!

How are you?
Welcome aboard Flight 232 to London.

這個十月，五、六年級學生來到 KCIS 機場，學習機上廣播。

首先，學生在登機門廣播，告知旅客班機因天氣狀況而延誤。

他們登機後，學生扮演空服員，說明飛安規則以及起飛時該注意的事項。

最後，當飛機攀升至飛行高度時，機長開始機內廣播，告知旅客接下來的飛行行程和抵達目的地的時間。

This is Captain John speaking. We are currently cruising at an altitude of 33,000 feet at an airspeed of 400 miles per hour. The weather in London is clear and sunny. I'll talk to you again before we reach our destination. Until then, sit back, relax, and enjoy the rest of the flight.
