### Morning Reading 书香阅读课

### Excellent Moment in Class 课堂剪影

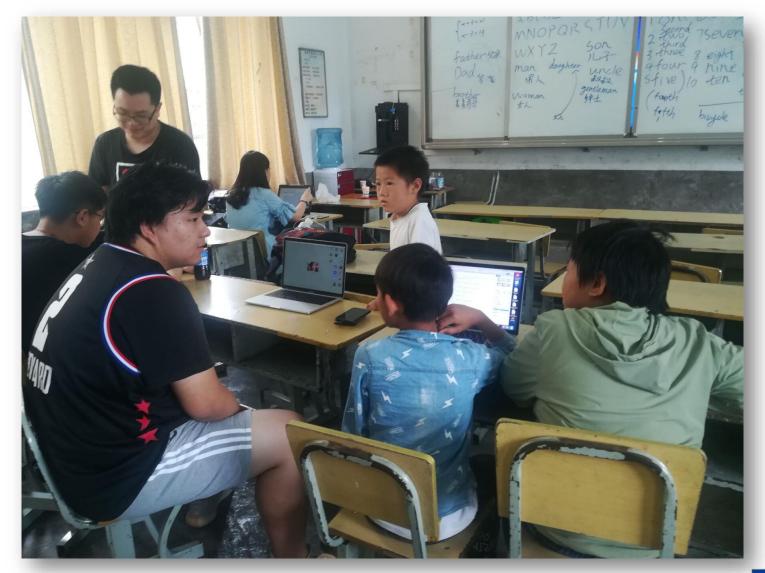

The young teachers became more confidence and prepared the teaching content actively. Children and young teachers were getting familiar with each other, and the atmosphere in the classroom to life!

经过昨天的相处和了解,我们的小老师们从刚开始的生疏和羞涩,渐渐的变得 开朗和自信,并积极的准备上课内容。孩子和小老师们也慢慢熟悉彼此,课堂 的气氛也活跃起来了!

#### Student Experience Sharing 心得分享

I am so inexperienced with the remote areas. Since my grandma's hometown is Anhui which is a more poverty city, I am ok with the not good environment. However, this is my first time to teach in such a environment. These kids here are pure and kind .A eight-year-old girl named Zhou Si rong really moved me. She wrote that her dream is to make her grandma eat well everyday. Although their educational environment is not so good, they still have positive, powerful energy to group up. As a Chinese saying goes: The hardest place always have the most pretty flowers. I hope that they can fly out of the huge mountains to the place they dreamed.

我对偏远地区并不那么缺乏经验。由于奶奶的故乡安徽。这是一个更贫穷的 城市。但是,这是我第一次在这样的环境中教书。这些孩子都很纯洁善良。 一名叫周思荣的八岁女孩真的感动乐我。她写道,她的梦想是让她的奶奶每 天都吃得好。虽然他们的教育环境不是很好,但他们仍然拥有积极,强大的 成长能量。正如一句中国谚语所说:最难的地方总是拥有最美丽的花朵。我 希望他们可以从巨大的山脉飞到他们梦想的地方。
